## YOKEL THROWS PORTLAND MAN

Defeats Eddie O'Connell in Straight Falls, After an Hour and a Half.

## CHAMPION TOO STRONG FOR MULTNOMAH WRESTLER

Both Men Work Hard for Mastery During Long and Somewhat Tedious Struggle.

Mike Yokel, world's champion welter-weight wrestler, again successfully defended his title Friday night at the Salt Lake theater in a hard-fought wrestling match with Eddie O'Connell, the star Multnomah club wrestler. Yokel won the match in straight falls, the first in one hour and thirty-two minutes and the second in seven and one-half minutes.

It was Yokel all the way from the time the two wrestlers went on the mat until Referee Bean awarded the first fall to the champion. The result was ever apparent and the question was only how long O'Connell, by his clever defensive work, could prevent Yokel from throwing him.

The match was somewhat tedious and lacked the speed and the spectacular features of the match between the two a year ago. Neither was in a hurry and it was soon evident that both men were prepared for a long, hard struggle. O'Connell was content to remain on the defensive throughout the match and was never the aggressor at any time. Yokel was patient and worked his long wearing-down process with telling though gradual effect. Only once or twice did he make any serious attempt to secure a hold that might result in a fall. O'Connell was kept rather busy watching Yokel and displayed unusual cleverness in breaking holds.

## First Fall for Yokel.

The first fall came at a time when it was rather unexpected. The men had wrestled for an hour and a half without a great deal of progress and the opinion of the spectators appeared to be that it would continue another hour and a half. Finally Mike Yokel secured the hold he had been waiting for, and, with an unbreakable far Nelson, he forced O'Connell on his back and held him securely there while the referee awarded him the first fall in one hour and thirty-two minutes.

The second appearance of the two men on the mat was productive of faster wrestling. Both went after each other from the start and after five minutes of fast spinning and slipping in and out of holds, Yokel secured a hammer-lock and then a far Nelson, with which he again placed O'Connell on his back. O'Connell's shoulders slipped off the mat and he protested against the fall being counted against him. The referee gave the fall to Yokel and O'Connell accepted the decision good-naturedly.

## O'Connell Praises Yokel.

Eddie O'Connell took his defeat philosophically. "I have no excuses," he said. "Yokel is a wonderfully good wrestler and it is no discredit to be beaten by a man of his class. He is much better and stronger than when I met him a year ago. I was in excellent shape and felt certain that I would beat him. Soon after I was on the mat I found that he was too strong for me. He was much heavier and much stronger than I was and the handicap was too great for me to overcome. I believe that Yokel can throw any man of his weight in the world."

"O'Connell is a tough man and I took no chances," said Yokel. "I might have thrown him quicker, but I wanted to wait until I was sure. He is the hardest of the welterweights whom I have met." In the preliminaries, Walter Steffens and Tom Powell wrestled twenty minutes without a fall. Danny Keith won a fast and interesting match from Billy Lang in thirteen minutes.

## NEBRASKA YOUNGSTER IS CAPTAIN OF NAVY TEAM

ANNAPOLIS, Md., Dec. 2.—John Dalton, a member of the next year's senior class at a high school in the Navy football team, tonight was elected captain of the academy team for next season. Dalton is from Broken Bow, Neb., although he was appointed from Missouri. He is 21 years old.

## OGDEN FANS FAVOR UTAH STATE LEAGUE

Some of the Enthusiasts Believe New Union Baseball Association Not Feasible.

## Special to The Tribune.

OGDEN, Dec. 2.—Certain of the baseball fans of this city, while they are not generally opposed to the Union Baseball association, are advocating the organization of another Utah state league with four teams, Ogden, Salt Lake, Murray and the Occidentals.

Manager Bert Margetts of last season's Murray team and Manager Frank Black of the Occidentals have been in the city and are the people directly behind the new venture. It is understood that they were given considerable encouragement here and that there is a strong possibility of such a league.

Whether or not Ogden will go into the Union association will be shown only by future developments. Some of the men who have been credited with having that they will "dig up" are still doubtful and are awaiting further information from Mr. Thiel of Salt Lake, who has guaranteed to bring in a man with a portion of the money providing the fans here raise the balance.

It will not be an easy matter to induce local business men to "jar loose" their money for an inter-state league, but of course this city will always have a few boosters for such a proposition. The committee which has undertaken the raising of \$1000 for the state leagues of 1908 and 1910 found it a difficult task, and many of the baseball possessors, therefore, smile at the idea of trying to raise several thousand.

Margetts and Black have assured state league boosters here that they will be able to get a park in Salt Lake City, and that Murray will be there as strong as heretofore. Black expects to bring to Salt Lake even a stronger team than even his 1910 Occidentals, which have since held their own against the best big league combinations on the coast.

## AVIATOR FALLS SIXTY FEET AT NEW ORLEANS MEET

NEW ORLEANS, Dec. 2.—Augustus Post, the aviator, fell sixty feet in his Curtiss biplane at the City Park race track here this afternoon and was painfully bruised. In making a turn, he swooned low near the ground, the tail of his machine catching in a tree and sending the aeroplane heading to the earth.

## JOCKEY SCHILLING STARTS IN WELL

Wins First Race in Which He Participates at the Emeryville Track.

## OAKLAND, Dec. 2.—Showery weather prevailed at Emeryville today, but the track was not seriously affected. The defeat of Star Actor in the feature event came as a surprise. He failed to finish inside the money. Elgin won from Captain Burnett by a nose.

Jockey Schilling, who arrived last night, had his first mount on Tim Judge, and landed him an easy winner. The stewards ordered today that entries from the stable of T. H. Ryan be refused, and suspended Jockey Buxton because of the unsatisfactory racing of Roman Wing, which won yesterday. The stewards are of the opinion that the horse had been raced previously, withholding his form.

First race, five and a half furlongs—Tim Judge (Schilling), 4 to 5, won; Tay Pay (Archibald), 2 to 1, second; Presto (Pickens), 5 to 1, third. Time, 1:07 2-5. Eddie Dale, Nancy Ray, Portia, Bob Chorale, Fontello, Clyde Herbert, Waco Bill and Parlor Boy finished as named.

Second race, future course—Quality Street (Garnett), 2 to 1, won; Miss Fay (Archibald), 2 to 1, second; Presto (Pickens), 5 to 1, third. Time, 1:07 2-5. Eddie Dale, Nancy Ray, Portia, Bob Chorale, Fontello, Clyde Herbert, Waco Bill and Parlor Boy finished as named.

Third race, six furlongs—Servicene (Gleason), 6 to 5, won; Prudent (Gilbert), 10 to 1, second; Combury (Garnett), 2 to 1, third. Time, 1:13 1-5. Emma, G. Rosarno, Novogrod, Special Delivery, Titus H. Netting and Argonaut finished as named.

Fourth race, one mile and six furlongs—Elgin (Thomas), 12 to 1, won; Captain Burnett (Garnett), 7 to 5, second; Moles (Koderis), 2 to 1, third. Time, 1:59 2-5. Star Review, Sir Wesley and Swell Girl finished as named.

Fifth race, six furlongs—Bellsnickler (Leads), 6 to 1, won; Harry Stanhope (Cavanaugh), 6 to 1, second; Pal (Garnett), 4 to 1, third. Time, 1:14. Lockout, Wap, Hannibal Bey, Lady Adelaide, Lady Rensselaer, Pete, Yellowfoot, Phillistina and All Alone finished as named.

## "GRUDGE" MATCH BETWEEN WESTERGAARD AND ROLLER

DES MOINES, Ia., Dec. 2.—Dr. B. P. Roller of Seattle and Jess Reimer of this city will meet in Des Moines Monday night in the real wrestling match of the year. Roller accepted by wire this morning. The meeting is a "grudge" match. Three years and a half ago Roller threw the local man in two different meetings in Seattle in the days when Roller was a practicing physician and was meeting all comers in that city.

Since that time Reimer, or Westergaard, as he is known, has been attempting to meet the man in some other town to get revenge. It precedes the meeting of Reimer and Jackson Schmidt in Chicago by only two days, but Reimer is too anxious concerning the meeting with Roller to take chances on the later meeting. Roller is the only American who has thrown Reimer in five years, with the exception of Gotch.

Arrangements have been made for the selection of a referee at least three days before, and the man will be selected from Sandy Griswold from the Omaha World Herald, Otto Froto of the Denver and Kansas City Posts, Ed W. Smith of the Chicago American and George Barton of the Minneapolis News.

## JOCKEY ON WINNING MOUNT MAY HAVE TO FACE CHARGES

PENSACOLA, Fla., Dec. 2.—Moderation in the weather resulted in greatly improved attendance at the Kufman park today.

The conduct of Alice, winner of the third race, occasioned comment and it is said the suspension of her rider will follow.

Summary: First race, seven furlongs—Broken Ties, 2 to 1, won; Inflection, 4 to 5, second; Omicron, 4 to 5, third. Time, 1:33 3-5. Second race, seven furlongs—Albion H., 2 to 1, won; Warner Griswold, 3 to 1, second; Bethlehem, 2 to 1, third. Time, 1:22 4-5.

Third race, six furlongs—Alice, 12 to 1, won; Folder Castle, out, second; Von Von Lear, even, third. Time, 1:25 2-5.

Fourth race, five furlongs—La U. Mexican, 4 to 1, won; Cherokee Rose, 3 to 5, second; Bright Maiden, 6 to 5, third. Time, 1:04 4-5.

## OTTUMWA NOT SATISFIED WITH FINE AGAINST CUBS

OTTUMWA, Ia., Dec. 2.—President F. J. Lynch of the local Central baseball team is not satisfied with the \$200 fine assessed against the cubs by the national commission for the baseball base they perpetrated here on September 9 last. On that occasion President Murphy of the Chicago team, after wiring and writing that Manager Chance would send the best available team, permitted the brothers of Johnny Evers and Artie Huffman to masquerade as the cubs stars and attract a large crowd to see the exhibition game.

Mr. Lynch has started a fight to a finish to see that a drastic rule is enacted by the national commission to insure that the trick will not be repeated. He has mailed a letter to Chairman Herrmann of the commission maintaining that the minor leaguers be given more protection in the future.

## CLOSE FINISH IN SPRINT AT MONCIEF

Three Horses Cross Under the Wire Barely Heads Apart in Thrilling Race.

## JACKSONVILLE, Fla., Dec. 2.—In the short distance sprints at Moncief park today one of the closest finishes of the meeting was furnished in the first race, when the first four horses, Phronis, Woolspur, Madeline L. and Lou Lanter passed the wire barely heads apart in the order named.

To avoid small fields, the management of the racing association decided to prohibit the withdrawal of any horses from any race in which six or less entries are named.

Results: First race, five and a half furlongs—Phronis, 8 to 1, won; Woolspur, 3 to 2, second; Madeline L., even, third. Time, 1:08 2-5. Second race, six furlongs—The Navigator, 7 to 1, won; Aldrian, 2 to 5, second; Jack Denman, 2 to 5, third. Time, 1:12 4-5.

Third race, five and a half furlongs—Billy Barnes, 5 to 1, won; Montefox, 4 to 5, second; Splinters, 6 to 8, third. Time, 1:08 2-5. Fourth race, six furlongs—Alfred the Great, 1 to 2, won; Flying Squirrel, 2 to 1, second; Detroit, 3 to 5, third. Time, 1:11 1-5.

Fifth race, six furlongs—King Avondale, won; Rat Masterson, second; All Red, third. Time, 1:13 3-5. Sixth race, mile and a sixteenth—Stoneman, won; Shapdale, second; Siko, third. Time, 1:39 3-5.

## Ready for Garfield.

The Salt Lake soccer team and roomers will go to Garfield Sunday morning on the 10:20 train, where it will play the Utah Copper lunch in the local soccer league. Neither team to date has tasted defeat, so a hot contest is expected. There is keen rivalry between the teams. A short light practice will be held at First avenue and A street this afternoon at 2:30 o'clock.

## CHANGES IN FOOTBALL RULES ARE NECESSARY

Veteran Yale Athletic Adviser Suggests Some Important Alterations in Code.

## NEW YORK, Dec. 2.—George Foster Sanford, the veteran Yale athletic adviser, who had a good deal to do with building up this year's Yale eleven, is convinced that the football rules committee has much work to do before another season rolls around if the needs of the game are to be considered. In his opinion some changes in the code are absolutely essential. Mr. Sanford will sail for Europe tomorrow.

His statement on the subject comes as a salutatory expression of opinion, as he will not return before the rules committee begins its task.

"I am outstandingly opposed to the forward pass over the line of scrimmage," he said. "The most important change which I would recommend is that the distance to be gained by rushing be reduced from ten yards to seven. I also think that the runner should be allowed to 'back on' to one player in hitting the line in order to equalize to some extent the attack with the defense."

"The objections to pushing and pulling, because of the liability to injury, would not hold in this case. On the other hand, it will really make play safer by providing some protection to the man carrying the ball from the shock of a tackle in the secondary line of defense."

"The reduction of ground to be gained by rushing will make possible a reasonable reward for rushing and thus restore one of the basic principles of the American college game."

## ANOTHER TEST OF DREXEL'S BAROGRAPH

More Efforts Will Be Made to Determine Exact Altitude Reached by Aviator.

## NEW YORK, Dec. 2.—Another test is to be made of the barograph used by J. Armstrong Drexel at Philadelphia, in his effort to establish a new world's record for altitude. A few hours before he made the flight, the instrument was tested for him by Philadelphia experts, who pronounced it in satisfactory condition.

After the flight, the instrument showed a record of 2970 feet, which was 288 feet more than the previous world's record, made by the late Ralph Johnstone, in Belmont park on October 21.

When the barograph was brought to New York, it was sent to the experts employed by the Aero Club of America, who reported an error in the machine, which reduced the record of Mr. Drexel's flight to 2460 feet, 244 feet less than Johnstone's record. Mr. Drexel's claim to a world's record was, therefore, rejected.

It is now announced that the Aero Club of Pennsylvania will take the instrument back to Philadelphia for retesting. In order to insure that the test is thorough and official in every respect, it will be witnessed by two scientists from the weather bureau in Washington.

## STOCK CHASSIS RACE OVER ELGIN COURSE

CHICAGO, Dec. 2.—Elgin will be the scene of the next stock chassis race in 1911, the first renewal of the event which last summer proved a success. The Chicago Motor club, assisted by the Elgin association, will again be the promoters of the races and assurances that the sanction would be granted were received last night from New York from the American Automobile association members now in annual session.

Just what dates will be selected for the events have not been decided upon, but in all probability they will come during the last week in August.

## TEN FATALITIES DURING SEASON

Long List of Other Injuries Are Charged to Baseball by Statisticians.

## SLIDING TO BASES IS CAUSE OF MANY BRUISES

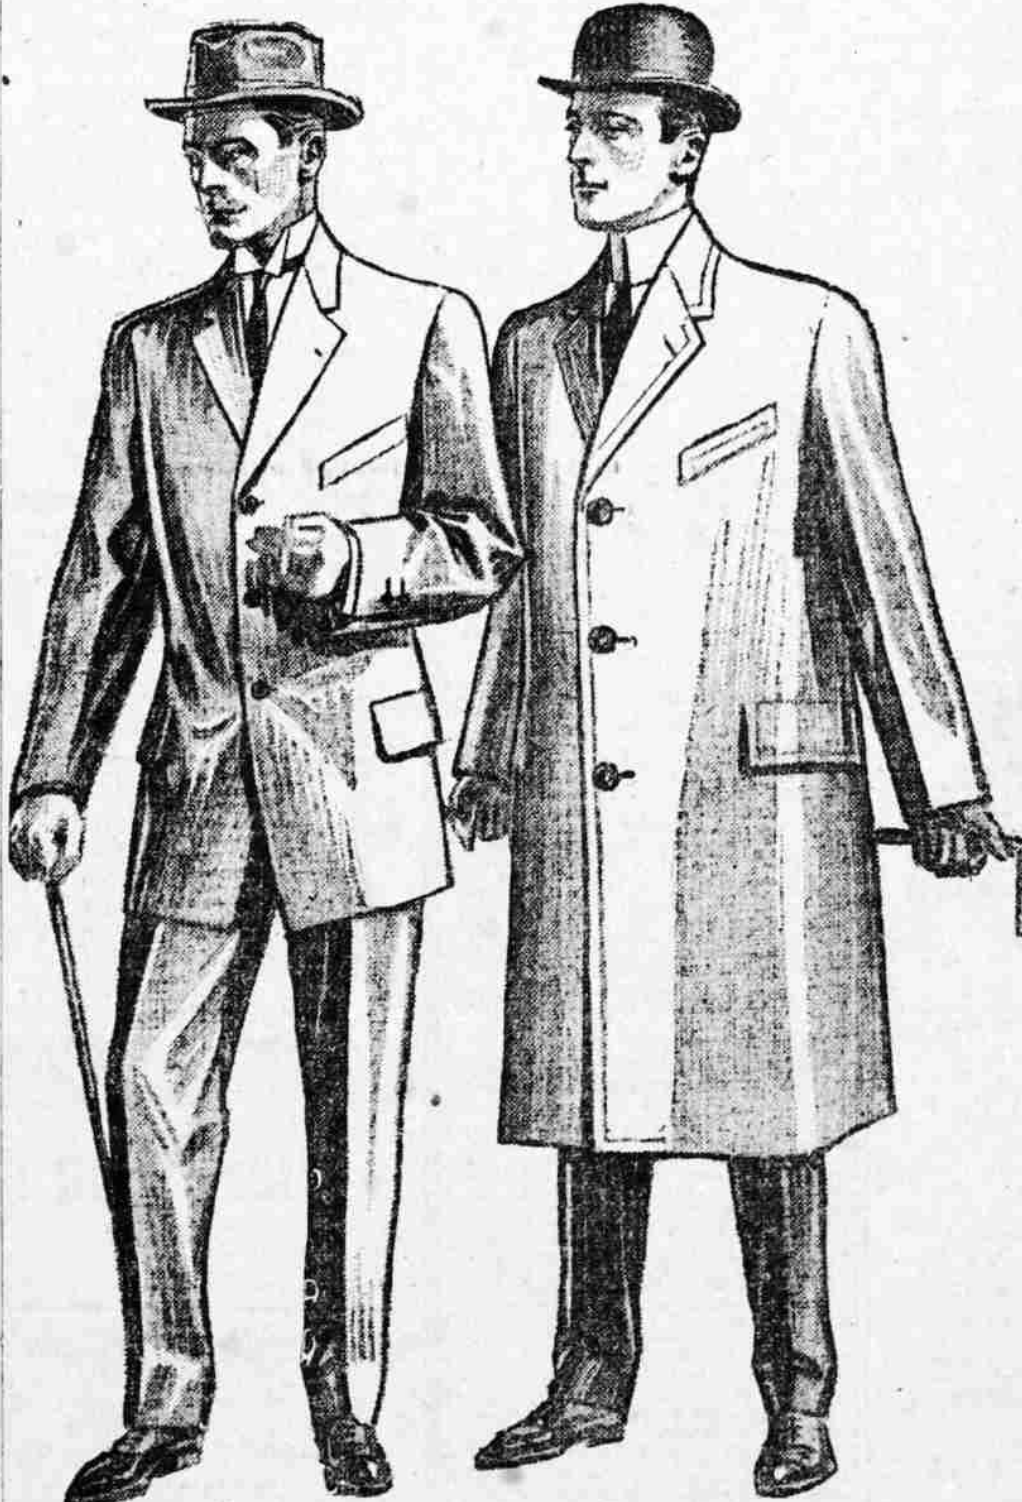

Several College Players Are Victims of Serious Accidents Early in Year.

There were at least ten fatal accidents in baseball in the season of 1910 and a long list of other injuries, a considerable number of which were serious. Statisticians yearly compile lists of football injuries, fatal and otherwise, but ignore baseball. In view of the number of persons who play baseball and the length of the season as compared to football, accidents in baseball are small in number compared to football—that is, to the football that was. This year's football so far has produced much less in the way of accident and injury.

However, there are enough accidents in baseball to prove that it is no child's play; that it is a game of risks. Still, it is safe to say that numerous minor injuries of baseball are not listed here and that all the injuries, minor and otherwise, of football are duly listed. The intent of this article is not to draw a casualty parallel between baseball and football.

It is just a chronicle of facts, a record of the principal accidents so far as they came under notice of the most popular and scientific of games. The deaths of the season of 1910 were:
